F61-PERFORMANCE SILICONE SPRAY

Lubricant & Shine Spray

FEATURES

Penetrating lubricant
Multi-surface safe
360° valve

USES

Provides excellent lubrication for reducing squeaks, sticky parts and binding surfaces. Ideally used on rubber seals, flange bushes, mountings, gantry rails, belts, conveyors, plastic gears and locks.

DIRECTIONS

Apply directly to the desired area until a generous coating covers the entire working surface. Make regular inspections and re-apply if necessary to affected areas to enhance component performance and life expectancy.

PROPERTIES

Appearance : Clear, colourless liquid
R.D. @ 20°C : 0.70

PACKAGING

F61-Performance Silicone Spray is packed into 100ml and 300ml aerosol cans.

CAUTION

In case of accidental eye contact, flush with copious amounts of water for at least 15 minutes. If irritation persists, seek medical advice. If ingested, give plenty of water to drink and seek medical attention. Do not induce vomiting.

For further information, consult the safety data sheet.
